

## ASSIGNMENT 7

---

# SD Card File I/O

SHASHANKA VENKATESH - 185001145

4<sup>th</sup> October, 2021

---

## Learning Objective

Implement an application that writes data to the SD card

## XML (activity\_main.xml)

```
1 <?xml version="1.0" encoding="utf-8"?>
2 <LinearLayout xmlns:android="http://schemas.android.com/apk/res/android"
3     xmlns:app="http://schemas.android.com/apk/res-auto"
4     xmlns:tools="http://schemas.android.com/tools"
5     android:layout_width="match_parent"
6     android:layout_height="match_parent"
7     tools:context=".MainActivity"
8     android:orientation="vertical"
9     android:gravity="center_horizontal">
10
11     <TextView
12         android:layout_width="match_parent"
13         android:layout_height="wrap_content"
14         android:fontFamily="@font/roboto"
15         android:text="Enter a file name, read or write to it."
16         android:textSize="25sp"
17         android:layout_margin="20dp"/>
18
19     <EditText
20         android:id="@+id/nameEditText"
21         android:layout_width="match_parent"
22         android:layout_height="wrap_content"
23         android:fontFamily="@font/roboto"
24         android:hint="File Name"
25         android:textSize="20sp"
```

```

26         android:layout_margin="20dp"
27         android:inputType="text"
28         android:maxLines="1"/>
29
30     <EditText
31         android:id="@+id/contentEditText"
32         android:layout_width="match_parent"
33         android:layout_height="wrap_content"
34         android:fontFamily="@font/roboto"
35         android:hint="File Contents"
36         android:textSize="15sp"
37         android:layout_margin="20dp" />
38
39     <LinearLayout
40         android:layout_width="match_parent"
41         android:layout_height="wrap_content"
42         android:layout_margin="20dp"
43         android:gravity="center_horizontal">
44
45         <Button
46             android:id="@+id/readBtn"
47             android:layout_width="wrap_content"
48             android:layout_height="wrap_content"
49             android:fontFamily="@font/roboto"
50             android:text="Read"
51             android:textSize="15sp"
52             android:layout_margin="10dp"/>
53
54         <Button
55             android:id="@+id/writeBtn"
56             android:layout_width="wrap_content"
57             android:layout_height="wrap_content"
58             android:fontFamily="@font/roboto"
59             android:text="Write"
60             android:textSize="15sp"
61             android:layout_margin="10dp"/>
62
63     </LinearLayout>
64
65 </LinearLayout>

```

## Java (MainActivity.java)

```
1 package com.madlab.sdcard;
